

# Runway Safety Action Team Meeting - Eagle County Regional Airport

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at EGE Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. In conjunction with airport management, we will be conducting a local RSAT meeting on September 29, 2014. The meeting is scheduled for 3PM at TERMINAL B. (Please note that this is a revised date and time.)

**Directions:** Park outside the fence at the Vail Valley Jet Center - enter through Gate 4 - come into the Vail Valley Jet Center Lobby. Terminal B is located at the far west end of the Jet Center lobby, just walk straight down the hall.
